

The BenchMark® 460 is a fully programmable, cost effective alternative to old-fashioned permanent marking techniques for parts too large or heavy to be carried to a marking station. Its hand-held marking head is lightweight and ergonomically designed, while providing a generous 25 x 100mm (1" x 4") marking window. An electromechanical marking pin eliminates the need for any air supply, making the BenchMark® 460 truly portable.

FEATURES

- Compact, ergonomic marking head weighs only 1.7 kg (3.75 pounds)
- Generous 25 x 100mm (1" x 4") marking window
- High quality, permanent, programmable marking on a wide range of materials — from soft plastics to hard metals up to Rc60
- No consumables
- Electromechanical marking pin eliminates the need for air supply
- Marks up to 5 characters per second
- Automatically generates serial numbers, as well as date, time and shift codes
